

Where's My Baby?

Words and music
Vin Distefano

Where's My Baby, is she miles away? Can't you see how I feel?

Won't you let her come home? Please let her come home! And let my heart finally heal.

(Chorus)

I'll find a way and I'll get to you.

Don't you see these tears in my eyes?

Make this my last night of praying to God,

To bring her home tonite...

Where's my baby, is she miles away? Can't you see how I bleed?

Won't you let her go? Let her go! So she can come home to me.

(Chorus)

Is her hair still golden like it used to be? Does she smile the same?

How's she look, now that she's older? Just her picture remains...

(Break)

Where's My Baby, is she miles away? I hear the telephone ring.

I hear the caller say, they "Still don't know". It's just the same old thing...

(Chorus)

Make this my last nite...and bring her home tonite.
