

I'm Sorry I Doubted Your Love

words and music
Vin Distefano

You've got to help me find out why I'm so confused and hiding it all inside.

I'm saying this to tell you just how foolish I've been.

Would you give me a chance to start all over again?

I want us to be like we were before, before you unlocked me and opened the door,

And let out the hurt I'd been hiding inside, from another who abused me and cast me aside.

Chorus

I'm Sorry I Doubted Your Love. You're all that I need, you're a part of me.

I'm Sorry I Doubted Your Love, and I'll never be without your love again.

Now you've need some time to spend away to think about the things I've been trying to say.

How could I have doubted you all of this time, with all of your love, you will always be mine.

I feel your love for me is real, though it will take me some time to get over my fear,

That loosing you will never be, and our love will go on for eternity.
